

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

**Precast concrete products.**  
**Linear structural elements (method 3), Floor plates for floor systems (methods 3a and 3b),**  
**Foundation elements (method 3), Wall elements (methods 3a and 3b),**  
**Retaining wall elements (methods 3a and 3b)**

produced by the manufacturer

**Betoniluoma Oy**  
Horontie 176, FI-64700 TEUVA

in the factory Teuva, Finland

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body Inspecta Sertifiointi Oy has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

**EN 13225:2004, EN 13747:2005+A2:2010, EN 14991:2007, EN 14992:2007+A1:2012, EN 15258:2008**

were applied.

This certificate was first issued on **2013-05-24** and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly. The validity of the certificate can be checked on the Internet at [www.inspecta.fi](http://www.inspecta.fi).

The certificate is issued on 2013-05-24

Anne Qvintus, Managing Director
